

ADH Labels	Arkansascovid Label	Explanation	Old Vs New Note	For Daily Slide	
OBJECTID					
County_Nam		County			
FHWA_Numbe					
FIPS		County ID in FIPS code			
positive		PCR total confirmed positives and probable positives	Starts Sept 13 2020		
negative		PCR total confirmed negs and probable negs	Starts Sept 13 2020		
pending		?			
lab_prvt		cumulative total private labs	Starts Sept 13 2020		
lab_pub		cumulative total public labs	Starts Sept 13 2020		
Recoveries	Recovered	cumulative	Starts Sept 13 2020		
deaths		cumulative death	Starts Sept 13 2020		
total_tests	Number Tested	cumulative	Starts Sept 13 2020	Yes	
lcase_name		county			
pos_range		same as positive	Starts Sept 13 2020		
neg_range		same as negative	Starts Sept 13 2020		
border_report		data on border cases	Starts Sept 13 2020		
active_cases		total active cases	Starts Sept 13 2020		
POP_5YR_EST_2018		Census data population	Starts Sept 13 2020		
confirmed_pos	Positive	PCR test confirmed	This is the same as is a full time series maching county-state-master	Yes	
probable_pos		antigen or symptomatic	Starts Sept 13 2020		

ADH Labels	Arkansascovid Label	Explanation	Old Vs New Note	For Daily Slide	
confirmed_neg	Negative	PCR test confirmed	Because this is PCR only, after Sept 12, this field doesn't match up with the negative, which is the sum of pcr and antigen	Yes	
probable_neg		antigen or symptomatic	Starts Sept 13 2020		
confirmed_recov		PCR test confirmed; we try to reach out to people. after 10 days start doing it. if can't reach for 14 days. if we cant reach them not hospitalized and not died, we assume they have recovered	Matches the Recovered in County_state_master and is a full time series		
probable_recov		antigen or symptomatic	Starts Sept 13 2020		
confirmed_death	Total_Deaths	PCR test confirmed	Matches Total_Deaths in County_state_master and is a full time series		
probable_death		antigen or symptomatic			
confirmed_active	Current_Infections	PCR test confirmed	Matches Current_Infections in County_state_master and is a full time series	Yes	
probable_active		antigen or symptomatic	Starts Sept 13 2020	Yes	
pcr_test		PCR test confirmed			
antigen_test		antigen	Starts Sept 13 2020		
pcr_pos		PCR test confirmed	Starts Sept 13 2020		
pcr_neg_test		PCR test confirmed	Starts Sept 13 2020		
antigen_pos_test		antigen	Starts Sept 13 2020		
antigen_neg_test		antigen	Starts Sept 13 2020
